Additional tools may be requested by the person in charge through the Watershed Wagon Request Use Form. We will do our best to accommodate requests for additional tools based on staff time and tool availability.

Other things that are provided on the shelves in the trailer:

- Printed copies of waivers: Please have everyone in your group sign one of these before they use the tools and leave signed copies in the folder provided.
- Garbage bags: If your group is doing a large trash clean up, you can submit a dumpster request at [bit.ly/2xx8nIA](http://bit.ly/2xx8nIA).
- Tool cleaning supplies to remove mud from tools.

Note: Gloves for volunteers are not staged in the trailer unless you specifically request and coordinate gloves with Clean Water Services. If you have questions, email [trf@cleanwaterservices.org](mailto:trf@cleanwaterservices.org) or call 503.681.3525.
