

FEES AND CHARGES AT A GLANCE

Clean Water Services
Resolution and Order No. 17-9 Appendix A
July 1, 2017 – June 30, 2018

System Development Charges (SDCs)

- Sanitary Sewer SDC's: \$5,500 per Dwelling Unit (DU) or Equivalent Dwelling Unit (EDU). 1 EDU = 16 fixture units.
- Storm Sewer SDC's: \$530 per Equivalent Surface Unit (ESU). 1 ESU = 2,640 sq. ft. of impervious surface.
- A Dwelling Unit (DU) is described as a separate residential unit with kitchen, bed and bathroom facilities, including those in multiple dwellings, apartments, motels, hotels, mobile homes or trailers. Where allowed by zoning regulations, a dwelling unit shall also include an ancillary dwelling unit located on the same lot.
- An Equivalent Dwelling Unit (EDU) is described as a nonresidential unit which is deemed equivalent to a dwelling unit as provided herein or as provided in the State Plumbing Code
- An Equivalent Surface Unit (ESU) is described as a measurement unit based on the impervious surface area of an average improved single dwelling lot or parcel, determined by a statistically significant sampling of such parcels.

Permitting Fees

- Permit Processing Fee: \$65
- Refund Processing Fee: \$25
- Protected Natural Area Signs: \$6.50 (4"x4"), \$21.50 (12"x18")
