

# ANNUAL PASS APPLICATION ROCK CREEK RV WASTE DISPOSAL

---

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone number: \_\_\_\_\_

License plate number: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### **Instructions for using the pay station at the Rock Creek Disposal Facility:**

You must use the four-digit PIN listed below each time you visit the Disposal Facility, so please keep this paper for reference.

When you enter the Disposal Facility follow the directions listed on the pay station kiosk. If the pay station does not operate, do not dump your wastewater on the ground. Report any problems by calling 503.880.1846. You may also use the disposal facility at the Durham Advanced Wastewater Treatment Facility (16580 SW 85th Ave., Tigard).

Do not share your PIN with anyone else. The PIN and on-site camera are used to track activity at the Disposal Facility. Allowing someone else to use your PIN may result in the cancellation of your annual pass and/or the loss of permission to use the Clean Water Services disposal facilities.

**Your PIN:** \_\_\_\_\_

Annual passes and PINs expire at the end of February of each year. A new annual pass will need to be purchased before that date to ensure continued service.
