

BEEF BEND ROAD CLOSURE

Portions of Beef Bend Road will be closed for **30 days starting September 4**. Clean Water Services (CWS) is working with Washington County and City of Tigard to ensure that Bull Mountain Road will open before Beef Bend Road closes for this project. Work will generally take place from **7 am to 7 pm, Monday through Saturday**. The intersection of Peach Tree Drive and Beef Bend Road will remain open, along with everything to the west. Please check getusthere.org for updated information about this and other projects in the Bull Mountain area.

CWS will replace/install nearly two miles of large sewer pipes, beginning July 2018. This \$7.7M investment will serve portions of Bull Mountain, South Cooper Mountain and River Terrace development areas, including areas within urban reserves adjacent to the cities of Tigard, Beaverton, King City, and unincorporated Washington County.

Everything we do at Clean Water Services aims to protect public health while enhancing the natural environment of the Tualatin River Watershed.
