Note: Contractor's placement on the list is not a warranty or guarantee of any work performed by the Contractor. Placement on the list indicates that the contractor attended training and successfully passed an exam on Clean Water Services Private Water Quality Facility Management Program and inspection and maintenance of vegetated water quality facilities. The program sponsors make no representation regarding the Contractor's workmanship and disclaim any and all liability for work performed by the Contractor.

Catchbasins and Filter Vaults

Contech offers a searchable database of Certified Maintenance Providers (CCMP's) to provide maintenance. Their website (contechs.com) will allow you to enter the state and county to search for certified maintenance providers.
