B. Termination of Permit Coverage Information

Reason for Termination
Provide an explanation below or attach a written statement explaining the reason for termination of permit coverage and complete the requested information below.
To terminate 1200-Z permit coverage, you must meet one or more of the following conditions in accordance with Schedule D.5 of the permit. To terminate 1200-A permit coverage, you must complete at least one of Conditions 1 through 3 below.
Provide all the requested information associated with each of the conditions appropriate for your facility.
Condition 1:
a) All industrial operations and stormwater discharge associated with industrial activity have ceased as defined in 40 CFR 122.26(b)(14).
b) Attach photos of all areas of your facility that have been previously exposed to industrial activities, including loading and unloading areas, storage of significant materials and wastes.

Notice of Termination Instructions

Who May File a Notice of Termination (NOT) Form?

Permit registrants who are presently covered under an Oregon Department of Environmental Quality NPDES Industrial Stormwater Discharge General Permit Nos. 1200-Z or 1200-A may submit this form when their facilities no longer have any stormwater discharges associated with industrial activity as defined in the stormwater regulations at 40 CFR 122.26(b)(14), or when they are no longer the operator of the facility, or coverage under an individual NPDES permit has been obtained.

A. Facility Information

1. Give the legal name of the person, firm, public organization, or any other entity that operates the facility or site described in this application.
2. The name of the facility contact may or may not be the same name as the legal contact.
- 3/4. Enter the complete address and telephone number of the legal and facility contact.
5. Enter the existing NPDES Stormwater General Permit number (e.g. 1200-Z or 1200-A)
6. Enter the DEQ facility/file number provided to the facility when you registered for coverage under the permit. The DEQ facility/file ID number can be found on the first page of your permit. If you do not know the permit or file number, contact DEQ's agent.

B. Reason for submitting Notice of Termination

Please complete one or more of the conditions described in this section and provide a brief narrative description of the reason of termination. Reasons for termination include:

- You are no longer the operator of the facility or site.
- There are no industrial activities at the site that require permit coverage.
- All stormwater discharges associated with industrial activities at the facility or site have ceased.
- Coverage under an individual NPDES permit has been obtained.

C. Certification

Federal statutes provide for severe penalties for submitting false information on this application form. Federal regulations require this application to be signed as follows:

- Corporation - president, secretary, treasurer, vice-president, or any person who performs principal business functions; or a manager of one or more facilities that is authorized in accordance to corporate procedure to sign such documents.
- Partnership - General partner [list of general partners, their addresses, and telephone numbers].
- Sole Proprietorship - Owner.
- City, County, State, Federal, or other Public Facility - Principal executive officer or ranking elected official.
- Limited Liability Company - Member [articles of organization].
- Trusts – Acting trustee [list of trustees, their addresses, and telephone numbers].

(please see 40 CFR §122.22 for more detail, if needed)

Application Submittal

Please send the completed form and supporting materials to the DEQ agents office.
